OLR MARINES IN THE LEVANT. In 1805 the blocks.le of Tripoli was still

bined see and land force was dispatched to assist the deposed Pashs, Hamet Caramalli, n an attack apon the town of Derne On he 3d of March, General Eaton, with Lieutenant P. N. O'Bannon, United States maripes, as second in command, a detachment of one Sergeant and six privates from the brig Argus, and four hundred mercenaries, trackless wastes, incurring alment of American marines and motley army 26th of April. A flig of truce was imme-The guns were immediately turned upon the town, and Hamet Caramalli having town capitulated. During the assault, a detachment consisting of seven American marines, twenty-four cannoncers and twenty-six Greeks were under the immediate command of Lieutenant O'Bannon. It was with this force that O'Baunon passed through a shower of musketry from the walls of the houses, took possession of the battery, planted the American flag upon its enemy. In his official report of the affair, General Eaton said: "The details I have

intrepld, judicious and enterprising officer."

THE MERMAID. The mermaid, of the ancients was probably identical with the dugong of the Indiffers materially both from the whale and sent. Its head and heart are not unlike that of the human family. It has flippers and tail like a seal, but, unlike that animal, lives on vegetoble food. According to an sticie in the "Popular Science Monthly, sleep again. Dagong fishing has become an object of thriving industry, especially a Moreton Bay, Queensland, Australia. The submarine pasitires on which it feeds lie a at a depth of from eight to fourteen feet, where it feeds down the herbage so close as to leave a weil-defined track. It is usually taken by s.retching strong nets across its operessly entangled. The flesh, which the easily made by various cooking to resemble cious disties. The bones are close-grained and capable of taking a high polish. The thick, is good to make a jelly as acceptable daugerous. As a food animal, it is prob-

George IV. On one occasion, says the -impossible-cat autre chose. One of the civil things his Royal Highness did jus at There are a good many real miseries in first was to find fault with my shoes, and as life that we cannot help smiling at but they I was very young and lively in those days I are the smiles that make wrinken stall took told him to make me a better pair and disspires.

bring them to me. I brought letters from all the Princes and Princesses to him from all the petty courts, and I tossed them to him and said, 'There, that's to prove I'm not an impostor." On another occasion, referring to her wretched marriage day, the Princess said: "Judge what it was to have and one who passed the greatest part of his

WRESTLING CAMELS.

Wrestling-matches between camels is a light, although they sometimes get a fine one person in Smyrus kept twenty at one are trained to wrestling when quite young; which terms were rejected with the laconic they exhibit great dexterity in throwing reply, "My head or yours." The pext day their antagonist, and seem to take much the assault on Derne was begun. The pleasure in the fray. We had a young one easy range of a battery of eight been born under the flag, he was christened guns, opened fire. The Nautilus lay at a "Uncle Sam." One of the Turks assumed distance to the eastward, and the himself on the voyage making a " pehlethe assault began the eue- using his legs, neck, and mouth with such a gallant and spirited defense, dexterity, and exhibiting such wounderful keeping up a heavy fire of musketry as the strength in so young a thing, that he beparty advanced from behind came a very rough playmate, and frequently houses and walls. At 3:30 p. m. Lieuten- burt the men on the deck by throwing himaut O'Bannon stormed the principal work, self on them suddenly and knocking them the first time in history "hoisting the Stars | the camels, for when two strange ones meet together where there are any females they immediately have a wrestling-match for the supremacy, and the conquered one ever after acknowledges his inferiority by not so much as daring to look at a female. Unlike the amusement of bull-baiting, this wrestling is a harmless pastime, though the animals sometimes get their legs broken or antagonist by getting his neok under their
